

RESERVATIONS

We are currently accepting hunting reservations for the fall of 2009 and subsequent years. All reservations must be accompanied by a \$250 initial deposit. Since only four hunters may be hunting per session, space is limited, so please indicate your first, second, and third choice of hunting dates. Should your first choice be full, we would like to give you a chance at other sessions if space is available. All reservations will be prioritized by the date we receive your deposit. The earlier we receive your deposit, the higher on the reservation list you are.

When the results of the drawing are announced in February, we will immediately notify all hunter applicants of the results of the draw in the following manner:

1. Applicants whose names are among the first four on the reservation list for each hunting session and who successfully draw a license from the Wyoming Game and Fish Department will be notified by telephone and e-mail of their success and asked to immediately forward a check for the balance of their hunt deposit. Elk hunters must forward an additional \$750. In order to solidify your reservation position we ask that you immediately make this deposit via credit card. If that is not possible, we will need to receive your check within the next fourteen days to solidify your reservation position. Should you also want to hunt mule deer as well as elk in the final hunting session, you will be asked to forward an additional deposit of \$150.
2. As names advance up the reservation list for each hunting session due to the removal of names unsuccessful in the draw, we will likewise call each of these applicants to request the balance of the advance deposit. If the session we call you for is not your first choice, you will be allowed to accept or decline.
3. If you draw a license but are not among the first four slots in any of our hunts, we will offer you the following:
 - a. Refund your deposit and try to place you in the camp of a known outfitter.
 - b. Roll your deposit forward to reserve your space for the 2010 hunting season.
 - c. Refund your deposit.
4. All applicants who were unsuccessful in the license drawing will be asked to exercise one of the following options:
 - a. Roll your deposit forward to reserve your space for the 2010 hunting season.
 - b. Refund your deposit.

Upon receipt of all deposits, and if you have drawn a license, your hunting dates will be confirmed. Elk hunters will have deposited a total of \$1,000; elk and mule deer hunters will have deposited a total of \$1,150. These deposits are required to reserve your spot.

Payment of the remainder of the hunt charges is due no later than August 1, 2009, and notification of this final payment will be mailed to you on July 10, 2009.

We will follow a policy used by the Wyoming Game and Fish Department in the possible cancellation of their licenses. Once a hunting session has been deposited, no refunds can be made except upon the subsequent death of one of the following: the hunter, spouse, parent, sibling, son, or daughter. This claim must be supported by a copy of the respective death certificate. A refund would also be made in the event of an incapacitating illness or injury to the hunter, supported by a physician's sworn statement.

We believe the hunting opportunities at Turpin Meadow Ranch are among the best you will ever find, and we are sure your hunting experience in this majestic country will provide memories you will cherish for a lifetime!
